ABOUT THE AUTHORS

Philip R. Walsh is the Chair of the Entrepreneurship & Strategy Department at the Ted Rogers School of Management, Ryerson University and the former MBA Program Director at the University of Surrey School of Management. His award-winning research is focused on business strategy and innovation policy, particularly as related to sustainable development in the energy and mining industries. He has published in the following journals: *Technovation*; *Applied Energy*; *Management Decision*; *Energy Policy*; *Environment, Development and Sustainability*; and *Renewable Energy*, to name a few. Dr. Walsh has published a number of case studies and is an alumnus of the International Teachers Programme. He is also an Enactus-Dobson Fellow in Entrepreneurship. He holds a Ph.D. in strategic management from the Bradford University School of Management, an MBA from the Ivey School of Management at Western University, and a Bachelor of Science in geological sciences from Queen's University.

Robert M. Grant is the Eni Professor of Strategy Management at Bocconi University in Milan and a Visiting Fellow at Georgetown University, Washington and City London University. He is British but has taught for many years in North America at Georgetown, UCLA, California Polytechnic, and the University of British Columbia, as well as London Business School. He has worked with companies such as Nortel, American Express, Zurich Financial Services, and Lockheed Martin. He is on the editorial boards of the *Strategic Management Journal*, *Long Range Planning*, and *Strategy & Leadership*.

Judith Jordan is based in the Department of Management at the University of Bristol. She has more than 20 years' experience teaching strategy to undergraduates, postgraduates, and business executives in the United Kingdom, China, and Malaysia. She is a member of the Strategic Management Society and American Academies of Management and is an active researcher and reviewer in the areas of strategy, innovation, and knowledge management.
